Nineteen Years Old.

With this issue THE BOURBON NEWS begins the twentieth year of its existence. In the past THE NEWS has earnestly endeavored to treat every patron honestly and fairly, to print a reliable newspaper and to be conservative in all things.

During the past nineteen years THE NEWS has never missed an issue, on account of a holiday or other cause, and has only been an hour or so late on half a dozen occasions.

THE NEWS has endeavored to give its patrons the entire worth of their money by printing fresh, clean news in advance of other publications, and rejecting that which is personal, vindictive and scandalous.

With a good subscription list of bona fide subscribers and an excellent advertising patronage from reliable merchants, THE NEWS begins its twentieth year under auspicious circumstances, and hopes by its well-known reputation for honesty, fairness, conservatism and reliability to merit, as in the past, the confidence and the patronage of the public.

THE NEWS will be improved during the coming year and will be made more valuable as a newspaper and as an advertising medium.

Now is the time to subscribe.

Mr. Bryan's Advice.

At the close of the reception in his honor, given by the Democratic State Committee in Faneuil Hall, in Boston, Tuesday afternoon, Wm. J. Bryan was shown the Associated Press dispatch announcing that Senator Goebel had been shot. Mr. Bryan made the following statement:

"It is shocking, shocking. I trust that the shot will not prove fatal. Mr. Goebel made a great fight against fierce opposition, and feeling was wrought up to a high pitch, but I had no thought of assassination being restored to. It probably was the individual act of some bitter political opponent. I cannot assume or believe that any considerable number of Republicans or anti-Goebel Democrats would counsel or excuse such an act. I sincerely hope that the Democrats will not allow excitement or resentment to lead them to acts of violence. We can afford to permit the Republicans to enjoy the monopoly of force and threats. Let the law deal with those who violate the law."
